

2 Year Limited Warranty

Please take time to read about the protection we offer you.

All our products come with a guarantee designed to protect you as our valued customer. ZEMPIRE® Camping Equipment will repair or replace this product, at their discretion, should it fail due to faulty materials or manufacture for a period of 2 years from the date of purchase.

The Guarantee is subject to the following conditions:

1. The Guarantee only applies to an original purchaser who purchased this product in an unopened condition from an approved retail outlet.
2. The Guarantee does not apply if the product has been used for anything other than reasonable personal use. Commercial use (e.g. rental) or continuous use are expressly excluded.
3. Damage due to normal wear and tear, accident, acts of God, negligence (other than by ZEMPIRE® Camping Equipment), failure by the purchaser to ensure instructions for setting up and care are observed, deterioration due to abnormal exposure to ultraviolet light, insect or mildew attack, or any other cause reasonably beyond the control of ZEMPIRE® Camping Equipment are not covered.
4. If redress is sought under the terms of this Guarantee, then the product must be returned by the purchaser to the outlet from where it was purchased within the Guarantee period, in a clean, dry state and with proof of purchase.
5. All transport costs and any other indirect costs are excluded from the Guarantee.
6. ZEMPIRE® Camping Equipment reserves the right to make a reasonable charge for repairs which it determines are not within the scope of the Guarantee.
7. The Guarantee does not limit, modify or exclude any rights under any law if doing so would contravene that law or make any part of this Guarantee invalid. However, ZEMPIRE® Camping Equipment:
 - a) excludes (to the extent permitted by applicable law) all conditions and warranties that might otherwise be implied; and
 - b) limits its liability for breach of any such condition or Guarantee that it cannot exclude together with its liability under the Guarantee, to repairing or replacing the Goods or paying the cost of having the Goods repaired or replaced (at ZEMPIRE® Camping Equipment's option).

Australia Only

Our goods come with guarantees that cannot be excluded under Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

USA Only

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

Europe Only

The consumer has legal rights under applicable national legislation governing the sale of consumer goods and those rights are not affected by the guarantee.

All warranty claim processes are explained on our ZEMPIRE® website. Please go to www.zempire.co.nz, select your location and follow the instructions to lodge a warranty claim.

INSTRUCTIONS

This Aerobase Evo Link provides a weather tight connection between an Evo Series tent awning and an Aerobase 3 or Aerobase 3 Pro Shelter.

1. Pitch your tent.
2. Zip on the **Evo Link** to the front awning, starting from the left-hand side of your tent. The arrow on the **Evo Link** points towards the tent.
3. Pitch your **Aerobase 3** in front of your tent awning and in line with the **Evo Link** but do not place any of the pegs in the ground yet.
4. Zip the remaining side of the **Evo Link** to the entrance of the **Aerobase 3**.
5. Move the shelter so that the **Link** is pulled trim/tight and aligned straight with the awning of your tent. Ensure the walls of the shelter sit square. (pictured below)
6. Once correctly aligned peg down the **Aerobase 3** into position and inflate.

CARE INSTRUCTIONS

1. Never pack your Aerobase Evo Link away wet. If you must take your Aerobase Evo Link down when wet, ensure that it is dried completely as soon as possible to prevent mildew forming.
2. If mildew does form on your Aerobase Evo Link, wash off with warm water and a soft brush to prevent further growth. Do not use soap or detergents.
3. This Aerobase Evo Link is not designed to withstand storm conditions. During a severe storm, it is recommended that the Aerobase Evo Link be taken down.
4. Do not leave your tent-shelter connection pitched unnecessarily for extended periods of time. UV light damages the fly and will shorten the life of your setup.

UV Degradation

Tent/link fabrics can be weakened by prolonged exposure to sunlight. Under normal holiday use, your ZEMPIRE® tent/link will give you many years of camping enjoyment. However, extended use in strong sunlight will cause degradation. It is recommended that during periods of strong sunlight a ZEMPIRE® Roof Cover is used to help protect from UV damage. UV degradation is not covered under warranty. The warranty does not cover permanent sites, displays or commercial use.

NEED HELP WITH YOUR TENT/LINK?

We have a range of videos on our website which can help you.

Follow the QR code or type the link below in your browser. We suggest to check out our videos beforehand in case you don't have service at your holiday destination.
